Spray to Inmate Nicholas due to the fact that B/D is a lockdown section and Inmate Nicholas was warned four times previously about coming out of the cell. Deputy Lamey notified S-1 Sergeant Caldwell, contacted medical to check him out and decontaminate Inmate Nicholas. Deputy Lamey read O.C. Administrative Warning to Inmate Nicholas. Inmate Nicholas was placed back in B/D #126, no other actions taken at this time.

Caldwell along with Deputy Blankinchip first brought inmate Craig onto the yard so both inmates could be separated. Inmate Craig stated that he (Craig) was sitting down at the dayroom table eating morning chow and was pushed by inmate Miller due to the fact that he (Craig) was sitting in the wrong place. Inmate Miller was then brought on the yard and was asked about the fight between inmate Miller and Craig. Inmate Miller then began to talk in a very loud voice and began raising his (Miller) hands above the waist. Sergeant Caldwell then advised inmate Miller not to raise his (Miller) hands at any time due to the nature of the charge. Deputy Blankinchip then stated to inmate Miller that other inmates stated that he (Miller) hit inmate Craig. Inmate Miller then became more aggravated and raised his (Miller) hands above the waist. Deputy Blankinchip then OC sprayed inmate Miller. Medical was contacted, inmate Miller was decontaminated, and inmate Miller was placed in BD cell #229 on pre hearing detention. 	Craig, Emanuel J. #268404		

On November 29, 2005 at approximately 0607, as Deputy Lamey, #175, assigned to A-Block floor, opened F-Section door to conduct headcount, Inmate Emanuel J. Craig, #268404 forced his (Craig) way thru the section door into the sally port. Deputy Lamey asked Inmate Craig three (3) times in clear loud verbal commands to go back into the section. Inmate Craig refused to comply with Deputy Lamey's commands. Deputy Lamey observed Inmate Craig standing with balled fists breathing heavy with his (Craig) eyes partially closed. Deputy Lamey felt that an Imminent physical attack was about to occur. Deputy Lamey used Oleoresin Capsicum (O.C. Spray) in a one second burst in order to deescalate the situation. Deputy Lamey then used a common peroneal knee strike to the right thigh and combination with a strong arm bar takedown to obtain Inmate Craig's cooperation. Deputy Lamey notified Sergeant Caldwell, #152, and medical of the situation. Inmate Craig was decontaminated and seen by the Nurse McCain, who found no injuries. Inmate Craig is in violation of Category I, N- Attempting or aiding in an escape. Inmate Craig is on pre-hearing detention in AF141, until seen by disciplinary officer. End of Narrative.

Miller, Jeffery #275858			

November 29, 2005 at approximately 0610 hours Deputy Lamey # 175 after having an issue with Inmate Craig, Emanuel J. #268404 .Sergeant Caldwell # 152 and at least five (5) other officers was with her (Caldwell). They {Sergeant Caldwell and at least five (5) other Deputies} were called to A-block when Deputy Lamey radioed for assistance with Inmate Craig. Sergeant Caldwell advised Deputy Lamey to pull Inmate Miller, Jeffery #275858

Out of A/F section and bring him (Miller) into the Sallyport. Once Deputy Lamey and Inmate Miller entered the Sallyport, Sergeant Caldwell stated "I told you Motherfucker if I had to come back down here for something you did, you would get your ass kicked" and Sergeant Caldwell ordered Deputy Lamey to bring Inmate Miller onto the Yard. As, Inmate Miller approached the Yard door Deputy Lamey noticed at least four (4) streams of O.C. spray being shot at Inmate Miller. The bursts hit Inmate Miller in the back of the head. Deputy Lamey thought Inmate Miller had made an aggressive move toward one of the other Officers, due to the fact that Inmate Miller assaulted Inmate Craig, Emanuel J. #268404 a few days ago, so Deputy Lamey got in front of Inmate Miller about 3 to 4 feet and gave a one second burst of O.C., which was somewhat effective. Inmate Miller balled his fists, and the muscles in his (Inmate Miller) neck and shoulders were flexing. The other officers started to tussle with Inmate Miller. At this point Deputy Lamey returned inside to the Sallyport due to the fact that there was at least five (5) Officers surrounding Inmate Miller and Deputy Lamey needed to complete the paperwork that was left to do on Inmate Craig, Emanuel J. #268404. When Deputy Lamey completed the paperwork he needed to do for Inmate Craig, Emanuel J. #268404, Deputy Lamey went onto the Yard. Deputy Lamey noticed Inmate Miller was on the ground and at least five (5) officers were around him, hitting and kicking him. Sergeant Caldwell was watching all of this. Deputy Lamey also noticed Deputy Nicholson kick Inmate Miller in the Back area as well as in the face. At this point Sergeant Caldwell saw this also and told all the officers to stop and get Inmate Miller up. Deputy Blankenship had one arm (right) trying to get Inmate Miller on his feet; Deputy Lamey took Inmate Miller's Left hand to assist Deputy Blankenship in lifting Inmate Miller to his feet. Once Deputies Blankenship and Lamey got Inmate Miller to his feet, Deputy Blankenship asked Deputy Lamey for his flashlight to look at Inmate Miller while waiting on Medical to arrive. After the Nurse looked at Inmate Miller, Sergeant Caldwell and at least five (5) officers escorted Inmate Miller to B/D for lockdown. Sergeant Caldwell sent Deputy Richards back to A-block to help Deputy Lamey write all the paperwork. Deputy Lamey did not lay hands on Inmate Miller. Only hand that was laid upon Inmate Miller from Deputy Lamey was to assist Deputy Blankenship in getting Inmate Miller to his feet. Again, Deputy Lamey did O.C. Spray Inmate Miller but did not lay hands on him.

Miller, Jeffery #275858			

On November 29, 2005 at approximately 0610, as Deputy Lamey, #175 was investigating an incident with Inmate Emanuel Craig #268404, Deputy Lamey discovered that Inmate Jeffery Miller #275858 had assaulted Inmate Craig. Deputies Lamey and Roberson entered A/F Section and attempted to escort Inmate Miller to the Sallyport to continue the investigation. As soon as Inmate Miller entered the Sallyport Deputy Lamey observed Inmate Miller with balled fists, heavy breathing, and the muscles in his (Inmate Miller) neck and shoulders flexing. Inmate Miller then appeared to try and punch Deputy Lamey. Deputy Lamey O.C. Sprayed (oleoresin capsicum) in the facial area. Inmate Miller became extremely angry at this time and Deputy Miller O.C. Sprayed Inmate Miller 2 more times before Deputy Lamey gave up on the effectiveness of the O.C. Spray. Deputy Lamey used a strait arm bar takedown in combination with a knee strike to the common peroneal in an attempt to put Inmate Miller on the ground in a controlled manner. Inmate Miller attempted to twist away while he was being taken down. Inmate Miller went through the open yard door while trying not to be taken down. When Deputy Lamey got enough leverage to bring Inmate Miller down to the ground, Inmate Miller made hard contact on the yard ground with his facial area causing an abrasion on his lip. Deputy Lamey also lost his balance and fell on top of Inmate Miller causing a bruise to his lower back. Deputy Lamey notified Sergeant Caldwell, #152, and medical of the situation. Inmate Miller was decontaminated and seen by the Nurse McCain, who found the above listed injuries. Inmate Miller is in violation of Category I, A-Assault or attempted Assault on Inmate or officer. Inmate Miller was moved to B/D 231, until seen by disciplinary officer. End of Narrative.

December 9, 2005

From: Captain Taylor

Ref: Excessive Use of Force complaint

On December 8, 2005 I was asked to report to medical to speak to one of the nurses. After arriving at medical I spoke to Nurse Kenissia Clark who informed me that an inmate (Miller, Jeffrey) had complained that he had been beaten by officers. Nurse Clark also stated that inmate Miller was about to be sent out to the hospital for x-rays. I advised Nurse Clark that I would speak to Inmate Miller upon his return to the facility from the hospital. Miller returned from the hospital approximately three hours later and spoke to me about the incident. Miller stated that on Thanksgiving morning (November 24, 2005) at approximately 0515 hours he (Inmate Miller) and another inmate, Emmanuel Craig, had a verbal altercation. During the altercation Miller states that he shoved Inmate Craig causing him to spill his cup of coffee. The control room saw the altercation and called for officers to respond. A few minutes later Officer Justin Richards entered the section and stated, "Whoever is fighting needs to come to the sallyport". Inmate Miller then went to the sallyport while Inmate Craig remained in his cell. Sergeant Caldwell then entered A/F and instructed the other inmate involved in the altercation to report to the sallyport. Inmate Craig came to the sallyport and both inmates were escorted to B block.

After arriving at B block Inmate Miller entered B block sallyport while Inmate Craig remained in B hallway. Sergeant Caldwell also remained in B hallway and was asking Inmate Craig what had taken place. After speaking to Inmate Craig Sergeant Caldwell entered B sallyport and instructed an officer to return Inmate Craig to A block. Inmate Miller was then escorted to B block exercise yard where he was asked by Sergeant Caldwell to explain what happened. Sergeant Caldwell advised Inmate Miller "I already heard you're running the zone". Inmate Miller began attempting to explain but before being allowed to explain he was O.C. sprayed by Officer Blankinchip. Inmate Miller bent down and asked Officer Blankinchip why he was sprayed. Officer Blankinchip explained that he was sprayed because he moved. At this point Sergeant Caldwell activated the Tazer and stated to Inmate Miller "I know you have been maced, so you can't see me, but I know you can hear this (activating her tazer), and then asked "Who is running the zone?" Inmate Miller stated that he did not know what she was talking about. Sergeant Caldwell then stated "I'm going to ask you one more time, don't lie to me or I am going to taze you". Inmate Miller then denied knowledge of what Sergeant Caldwell was talking about. Inmate Miller was then taken to BF, decontaminated, and seen by a nurse. Inmate Miller was then escorted to BD lockdown. Inmate Miller remained in lockdown for 4 days without being served an RVR. On 11/28/2005 Officer Labauve spoke to Inmate Miller and decided to dismiss the RVR and sent Inmate Miller back to AF (his original section).

On 11/29/2005, just after breakfast had been served, Inmate Miller was assisting with issuing salt packets to the inmates. Inmate Craig was in the dayroom in a thermal underwear top when the tower officer instructed Inmate Craig to put a shirt on and Inmate Craig used profanity towards the officer and returned to his cell. All inmates were eating when Inmate Craig approached Inmate Miller and snatched several salt packets from Miller. Inmate Miller then stated to Inmate Craig "that is how our first confrontation happened, you messing with me". Inmate Craig then went to his room and a few minutes later returned to the dayroom and gave the salt packets back to Inmate Miller. Inmate Craig then went to his cell again and retrieved his mattress and storage box and placed them on the dayroom table. Inmate Craig then went to the wall speaker and asked the control room officer to have S-1 come to the block. The tower officer told Inmate Craig that she was not going to call S-1 for something petty. A few minutes later the control room officer opened the door and Inmate Craig rushed out to the sallyport. Inmate Craig was immediately O.C. sprayed by Officer Lamey.

Inmate Miller returned to his cell and a few minutes later Sergeant Caldwell and Officer Roberson entered the section with several other officers. Caldwell then stated "go to cell 245 and get that red motherfucker out of there". Officer Roberson then entered cell 245 and stated, "Come on Miller". Inmate Miller then exited the cell and walked past Officer Roberson and began telling Sergeant Caldwell that he had not done anything. Sergeant Caldwell then stated, "I don't want to hear that shit, bring your motherfucking ass on." Inmate Miller then pleaded with Sergeant Caldwell to ask all of the inmates in the section if he had done anything. Sergeant Caldwell stated, "I don't have time for that shit, bring your ass on." Inmate Miller then walked to the sallyport, placed his back against the wall, and interlocked his fingers in an attempt not to appear as a threat (because he had been sprayed before). Inmate Miller tried to explain to Sergeant Caldwell again that he had not done anything when she stated, "you are going to wish you did something." Sergeant Caldwell then stated "spray his ass, whip his ass, and then take him to the hole (lockdown)". At this point Officer Barnes attempted to spray him with O.C. spray but his canister did not spray. Inmate Miller then lowered his head, anticipating more O.C. spray, and was pushed towards the yard door until the back of his head rammed into the door. Inmate Miller was then O.C. sprayed by an unknown officer and taken to the yard where several other officers were waiting.

Inmate Miller states that at this time he was being non-threatening and was still attempting to explain to Sergeant Caldwell that he had not done anything. Inmate Miller was then kicked on his left leg causing him to move backwards. Officer Blankinchip then punched Inmate Miller in the left side of his face at which time he assumed a fetal position and was kicked and punched repeatedly. Inmate Miller was screaming the entire time that he did not do anything. Sergeant Caldwell then stated, "Get up motherfucker". Inmate Miller states that he did not get up because he feared being assaulted more. The officers then began pulling on his shirt and arm, and while doing so would punch and kick him each time they did.

Inmate Miller states that the last thing he remembers is that an officer punched him and then kicked him in the ribs where he heard his ribs snap. He was then kicked in the head causing him to pass out. While waking up he overheard an officer bragging that he had gotten him good in the head. Officer Lamey then began helping him up and Officer Roberson pushed Inmate Miller against the wall and said, "don't move motherfucker". Inmate Miller stated to Sergeant Caldwell again that he did not do anything. Sergeant Caldwell ignored him and stated "Come on and get your shit, Labauve knew not to bring this motherfucker back over here anyway". Inmate Miller then entered A/F as instructed and heard Sergeant Caldwell tell his roommate (Brown, Donnie M.) "You're next, you better get some weight on you, you're a little bitty motherfucker anyway". Sergeant Caldwell then stated to the entire section "this is to all you motherfuckers who want to run a zone, you see how big he is, we dropped his motherfucking ass, we will drop you the same way". Inmate Miller retrieved his property and was told by Sergeant Caldwell to get all of his property because he was not going to return to A/F. Inmate Miller then exited the section and went into the sallyport where the nurse on duty (McCain, Mary Ann) examined him. Inmate Miller explained to the nurse that he thought his ribs were broken. He continued telling the nurse that he thought his ribs were broken when the nurse checked his rib area and told the officers "I can not feel anything, he is all right". Sergeant Caldwell then stated, "Get your shit".

Officers Blankinchip, Tippetts, and Barnes then escorted inmate Miller to booking. Before entering booking Officer Blankinchip looked at Inmate Miller, laughed, and stated "you know you are about to catch another charge". Inmate Miller entered booking, was placed in the shower, decontaminated, and escorted to BD. Inmate Miller then entered B/D 231, sat on the bottom bunk, and told Officer Blankinchip that he felt that his ribs were broken. Officer Blankinchip ignored him and stated, "I know that was a lot of people for you to handle, I'm going to give you a chance to redeem yourself (challenging him to a fight)". Officer Blankinchip then stated that he could take off his uniform and they could fight one on one. Inmate Miller then stated to Officer Blankinchip again that he felt that his ribs were broken and also stated "what would redeem me is for you to go back to the zone and find out that I have not done anything". Roughly an hour later Officer Barnes entered the cell and did the O.C. administrative warning. Inmate Miller was then served an RVR by an unknown officer. Inmate Miller told both Officer Barnes and the unknown officer that he was in pain and having trouble breathing. Officer Barnes stated to Inmate Miller that they would send someone down to check him out (No one ever came to check him).

The following day, 11/30/2005, Sergeant Caldwell and Officers Blankinchip and Tippetts entered B/D and had Inmate Miller exit his cell. Officer Tippetts then asked Inmate Miller sarcastically "how are your ribs?" at which time Inmate Miller did not answer. Sergeant Caldwell then asked Inmate Miller "now what really happened"? Inmate Miller explained to Sergeant Caldwell how the incident between he and Inmate Craig had unfolded and then stated to Sergeant Caldwell that his ribs are hurt and he was having trouble breathing. Sergeant Caldwell stated "the nurse will be around in a little while passing out meds, you can tell her about it". Inmate Miller was then placed back in his cell.

During med pass Inmate Miller told Nurse Davidson, Tammy that his ribs were hurting and that he was having trouble breathing. Nurse Davidson stated that she would place him on a list to see the doctor (Miller was never examined by a doctor).

On 11/30/2005 Inmate Miller saw Sergeant Rogers and Officer Gregory and told them that he was in pain and was having trouble breathing. Sergeant Rogers and Officer Gregory told him that they would have a nurse come down to see him. Inmate Miller states that he never saw a nurse. Also on 11/30/2005 Inmate Miller told an unknown officer on the night shift that he needed to see a nurse. Nurse Smith, Bonnie was in the section and Inmate Miller was explaining his situation to her when another inmate got her attention and pulled her away.

On 12/02/2005 Inmate Miller stated that Officer Labauve stated that he (Labauve) had gotten chewed out because he had sent Inmate Miller back to the same zone. Officer Labauve then reviewed the RVR and suspended further lockdown and gave Inmate Miller sanctions of 15 days loss of canteen and 15 days loss of visitation. Officer Labauve then asked Inmate Miller to sign the RVR, at which time Inmate Miller signed the RVR because he felt that he could get needed medical attention if he was moved out of B/D. Later that day Inmate Miller was moved to A/B. While being escorted to AB Inmate Miller told Officer Hester that he was in pain, was having trouble breathing, felt that his ribs were broken, and that he needed to see medical. Officer Hester then stated, "When you get to your zone write a request to see medical". Inmate Miller states that he tried to tell every staff member and nurse that he saw that he was in pain and felt that his ribs were broken.

On 12/03/2005 Nurse Blankinchip examined Inmate Miller and she told him that she would place him on the list to see the doctor on Monday, 12/05/2005 (Miller never saw the doctor) On 12/07/2005 Nurse McCain examined Inmate Miller and determined that his oxygen level was low and that she needed to send him out to the hospital. The nurse exited the block and called back a few minutes later explaining to the officers that Inmate Miller would not be going out to the hospital. At approximately 0330 hours the officer returned and explained to Inmate Miller that he would not be going to the hospital because they (medical) felt that he was faking.

On 12/08/2005 at approximately 0800 hours Officer Vanlandingham entered Inmate Miller's cell and advised him to come to the sallyport. Miller was then examined by Nurses Clark, Kenissia and Loepke, Donna and they immediately decided to bring him to medical. After being examined in medical Inmate Miller was sent out to the hospital to be examined, and after being x-rayed it was determined that he had suffered fractured ribs.

Inmate Miller states that the very next time he saw Officers Lamey and Richards, after the incident, they stated they felt the incident involving him on the yard was unnecessary. Officer Lamey went on to say that he had written a report on the incident and that he was instructed to change his report. Officer Lamey told Inmate Miller to write a grievance to speak with Captain Taylor and once he spoke with Captain Taylor to tell him that Officer Lamey still had his original report and would be willing to tell Captain Taylor about the incident even if it meant losing his job. Officer Lamey stated that he had discussed the incident with his wife and felt that he needed to tell the truth.

At approximately 1850 hours I (Captain Taylor) spoke to Officer Justin Richards and asked him to explain to me what had taken place on A-blocks exercise on 11/29/2005. Officer Richards immediately dropped his head and began explaining what he knew about the incident. I then stopped Officer Richards and instructed him to report to the shift briefing room for briefing. I then contacted Officer Lamey, Ben at his home and asked him to explain what had taken place during the incident with Inmate Jeffrey Miller. Officer Lamey explained that his conscience has been bothering him since the incident and it had affected him to the point that he has not been sleeping well at night. Officer Lamey stated that unnecessary force was used during the incident and he thought it was wrong. I asked Lamey to meet me in my office the following morning (December 9, 2005). I then had Officer Richards report to my office where he then went into detail about the incident. Richards explained the incident exactly as inmate Miller had explained it (almost word for word). I instructed Richards to complete a narrative during his shift and to report to my office with the narrative on the following morning. On the morning of December 9, 2005 both Officers Richards and Lamey arrived at my office and gave me a narrative on the incident (see attached).

**Note:**

The incident occurred on November 29, 2005. Inmate Miller was not sent to the hospital until December 8, 2005.

The original reports submitted on the incident are a fabrication and contain such errors as the number of officer involved. The number "03" was entered in Sergeant Caldwell's handwriting on the Use of Force Report, which is not the actual number.

Officers involved in the incident never wrote narratives and some were not even mentioned in the submitted report.

Officer Lamey was instructed by Sergeant Caldwell to complete a report on the incident, but did not actually participate in the incident on the exercise yard. The narrative was written by Officer Richards and signed by Lamey.

Officers Richards and Lamey's accounts of the events match what Inmate Miller had stated.
